

Mummy! Momma! Mama! Mom! Mommy! Mum! Ma! Mother! Mamma!

Here is a fun craft that is easy to do and will put a smile on the face of that special woman in your life. You can give one to your mom, grandmother, teacher, aunt, sister or anyone else.

What you need

- Empty, clean glass jar with lid (we used a spaghetti sauce jar)
- Acrylic paint
- Flowers

What to do

1. Take your clean jar and squirt paint inside.
2. Put the lid on tight.
3. Now here is the fun part. Shake it really well so the paint covers the inside of the whole jar. You may have to add more paint to the jar so all the glass will be covered.
4. Take the lid off and put the jar somewhere safe to dry. It will take a few days to dry.
5. Add **flowers** and you are ready to go!

Print Sheet 

If you are giving your vase to your mom or teacher, print out a “These are a few of my favorite things about you” Sheet. Let them know just why you love them so much! They can keep your special note and use it for a bookmark.

Sparky's Monthly Tip: Make sure “Mom” has a smoke alarm in her bedroom. In fact, make sure everyone in your family has a smoke alarm in their bedroom.
